

Media Release - Zug/Switzerland, 17 March 2022

New Portfolio Manager at AMG Fondsverwaltung AG

At AMG Fondsverwaltung AG («AMG Fonds») Ronald Wildmann will take over as portfolio manager for the two Swiss equity funds AMG Substanzwerte Schweiz and AMG Schweizer Perlen as of 19 April 2022.

The previous portfolio manager, Manuel Bottinelli, is taking on a new challenge externally at his own request. We would like to thank him for his valuable cooperation and wish him every success in his future professional activities.

Ronald Wildmann (born 1965) has been working for 30 years as an equity analyst and portfolio manager mainly for Swiss Small and Mid Caps and has, among other things, built up the independent equity analysis provider Research Partners AG in Zurich. With his know-how and many years of experience, the analytical skills at AMG Fonds will be further strengthened. Together with Patrick Hofer, Ronald Wildmann will continue to implement the strategy adopted for both funds.

We warmly welcome Ronald Wildmann to our team.
